REGIONAL REFUSE DISPOSAL DISTRICT #1

REQUEST FOR PROPOSALS (RFP)

NEW BACKHOE

31 New Hartford Road • Barkhamsted, Connecticut

RFP Issue Date	[Insert date] 10-13-2026
Proposal Due Date and Time	Friday, October 23, 2026, at 2:00 p.m.
Submission Address	Regional Refuse Disposal District #1, 31 New Hartford Road, Barkhamsted, CT 06063
Questions / Contact	administration@rrdd1.com

1. Invitation and Purpose

Regional Refuse Disposal District #1 ("RRDD1" or "District") invites qualified equipment dealers and manufacturers to submit proposals for the purchase and delivery of one new 2026 or 2027 backhoe. The District's current machine is a 2018 John Deere 310L. The proposed machine should be of similar size and power, with the additional features and equipment described in this RFP.

2. Required Specifications

The proposed backhoe shall meet the following requirements:

- **Model year:** 2026 or 2027 model-year backhoe.
- **Size and power:** Similar in size and power to a 2018 John Deere 310L. Vendor shall identify the offered machine's make, model, operating weight, engine horsepower, and relevant dimensions.
- **Drive:** Four-wheel drive.
- **Tires:** All four tires shall be foam-filled.
- **Rear backhoe bucket:** Backhoe bucket with a thumb option, or a Wayne Roy jaw-type bucket. Vendor shall identify which configuration is included and describe the attachment.
- **Front hydraulics:** Live hydraulics on the front to accommodate attachments such as a snowplow. Vendor shall describe the hydraulic system and included connections/controls.
- **Front bucket and coupler:** General-purpose front bucket with a quick-disconnect JRB coupler.

3. Proposal Requirements

1. Manufacturer, make, model, model year, and complete description of the proposed backhoe and included equipment.
2. Specification sheet demonstrating compliance with each requirement in Section 2.
3. Itemized price for the machine, required buckets and attachments, foam-filled tires, front hydraulic equipment, JRB coupler, delivery, setup, and any other charges. Identify taxes, fees, and optional equipment separately.
4. Estimated delivery schedule and any conditions that could affect delivery.
5. Standard manufacturer and dealer warranty information.
6. All available warranties beyond the standard warranties, with coverage details, duration, exclusions, and separate pricing for each option.
7. Information about authorized service locations, parts availability, and warranty service procedures.
8. Proposal validity period and any assumptions, exceptions, or deviations from this RFP.
9. Vendor name, address, contact person, telephone number, and email address.

4. Pricing

Provide a firm total price for the backhoe as proposed and an itemized breakdown of all included equipment, attachments, delivery, setup, and other charges. Price optional equipment and extended warranties separately. Clearly disclose any exclusions or additional costs.

5. Submission Instructions

Proposals must be received by Friday, October 23, 2026, at 2:00 p.m. at the following address: Regional Refuse Disposal District #1, 31 New Hartford Road, Barkhamsted, CT 06063. Proposals received after the deadline will not be considered.

6. Contact

Questions regarding this RFP should be directed to administration@rrdd1.com. The District will respond to all inquiries in a timely manner and may also issue addenda to the RFP as necessary.

Regional Refuse Disposal District #1

31 New Hartford Road, Barkhamsted, CT 06063

7. Review and Award

RRDD1 intends to evaluate proposals based on compliance with the specifications, total price, equipment suitability, delivery schedule, warranty coverage, service support, and overall value to the District. The District may request clarification, verify information, negotiate final details with a vendor, reject any or all proposals, waive informalities where permitted, or cancel this RFP if doing so is in the District's best interest. Issuance of this RFP does not obligate RRDD1 to purchase a backhoe or reimburse proposal costs.

Any award is subject to applicable District approval requirements and completion of a written purchase agreement or purchase order. No vendor should begin work or incur costs on the District's behalf before receiving written authorization.

8. Final Specifications and Delivery

The successful vendor shall confirm the final machine configuration, included attachments, hydraulic connections, and delivery details with RRDD1 before order placement. Any exception to a required specification must be clearly identified in the proposal and is subject to written acceptance by the District.

9. Vendor Acknowledgment

By submitting a proposal, the vendor acknowledges that it has reviewed this RFP and has disclosed all exceptions to the requested specifications.
